With appreciation for your partnership in the education of your children,

Sincerely yours,

Dr. Beverley von Zielonka

Bus Pass Applications for 2019-2020

Purchase [here](#) by June 28.

If your family doesn't currently use the bus, why not consider it? Using the bus is not only better for the environment, it's a stress-free option for parents and a fun and independent way for students to travel to and from school. Fewer cars in the campus vicinities also make for happier neighbours! Please note that there is no student parking on the roads around our Morven Campus and very limited on-site parking for Grade 12 students only. Taking the bus is a great alternative!
