

NEWS & REMINDERS: WENTWORTH

Message from the Head of School

Dear Wentworth Families,

A few weeks ago, I shared the news that every few years, Collingwood undertakes a Parent Survey to support our desire for continuous improvement. As of today, we have only heard from 20% of families. I want to stress the importance of your participation. We will be looking to the results of this survey as we plan for the future, so it is imperative that all voices are heard.

As I approach the end of my first full year as Head of School, this feedback is especially important to me. To recap, we have aligned our Survey to reflect our school values of curiosity, courage and community—because we want to better understand and celebrate the diversity of all Collingwood families.

If you could please take 15 minutes of your time to respond to the Parent Survey, it would be valuable input as our Senior Leadership Team looks to planning for next year and beyond.

The purpose of the Survey is to:

- Measure our performance
• Create benchmarks against which to measure future performance
• Provide input into the process of continuous improvement

The link below will take you directly to the online questionnaire. We are providing two additional links for identical forms to be used in the instance that the first link you click on is slow to load.

As a reminder, your answers to the survey questions will be completely anonymous. Your privacy is important to us, so we have engaged an external consultant who specializes in surveys for independent schools to process the raw results ensuring that your anonymity is preserved.

Feel free to tell us what you think we're doing right and also where we can improve. If there are any questions that you would prefer not to answer, please feel free to leave them unanswered. If you have more than one child enrolled at Collingwood and feel that your answers would differ for each, we encourage you to complete the form once for each child.

Thank you in advance for your participation in this important project.
