Message from the Head of Wentworth

Dear Wentworth Families,

As we look ahead to the final few weeks of school that we'll spend together this year, I'm reminded of the incredible impact of having students across grades and ages working together to explore questions, share experiences, and tackle challenges. Some of the most powerful learning occurs during activities where our younger and older students come together to collaborate on tasks and help one another. By working as teams, students gain insights and empathize with the experiences of others. This past week, we were treated to an incredible example of this collaboration, as some of our Wentworth dancers and our Grade 4/5 choir joined our high school performers at the Morven Dance Showcase at the Kay Meek Theatre for 3 incredibly moving and energizing shows!

These interactions are happening all the time at Wentworth; grade 7s building cub cars with Kindergarten students, grade 2 and 5 buddies working in the school garden, grade 1 and 4 students releasing salmon fry they've reared in tanks at school. This process of sharing information, perspective, and ideas allows students of every age to explore the world around them through a wider lens, and transforming their own understanding.

In the weeks ahead, we'll see these community collaborations take on a celebratory air, with a variety of school-wide events and class parties on the calendar, highlighting:

Monday, June 3: 2019-2020 House Captains, as voted on by grade 2-6 students and faculty announced at Assembly.

Thursday, June 6: Kindergarten students' final visit of the year with their Grade 12 Buddies.

Tuesday, June 11: Grade 7 Commencement

Wednesday, June 12: Sports Day! [More Information](#)

Thursday, June 19: Closing ceremonies and last day of classes for students before summer break!

Bus Pass Applications for 2019-2020

Purchase [here](#) by June 28.

If your family doesn't currently use the bus, why not consider it? Using the bus is not only better for the environment, it's a stress-free option for parents and a fun and independent way for students to travel to and from school. Fewer cars in the campus vicinities also make for happier neighbours! Taking the bus is a great alternative!
