NEWS & REMINDERS

December 8, 2017

Parents and guardians,

We are quickly approaching the end of a very busy term here at the Collingwood School. Our final day of classes will be **Thursday, December 21st**, which will be a regular school day. Teachers are completing their curriculum heading into the holidays, and it is important that students are on site to wrap-up their studies. Students who are absent for assignments/quizzes/tests will be expected to make up this missed work in January. We ask that any family who will be departing school early to use our on-line Attendance Notification form. Classes will resume on Monday, January 15th, 2018.

Service to Community—Ronald McDonald House Visit

This past weekend, 10 students from Grade 8 to 10 led the charge in hosting a brunch buffet for over 100 residents of Ronald McDonald House. The kids, with a bit of parent guidance, were responsible for every aspect of the meal; prep, cooking, service and clean-up. The best part of the morning was watching our students engage with the guests and having them experience something new and meaningful. The students' efforts were so appreciated and the feedback from everyone was excellent.

If you would like to volunteer for a future Ronald McDonald House meal, please email Shannon Bosa. The next meal scheduled is Brunch on Sunday, January 28th from 8 a.m. to 1 p.m.. We are also looking for volunteers for dinners on April 15 and May 20. Minimum age to volunteer is 12. Opportunity is open to all students, parents, faculty and staff of Collingwood.

5 Free, No-Tech Things You Can Do To Radically Improve The Life Of Your Child Over Break...

...that are intentionally old-school, universally accepted as healthy, and that will remind you of your childhood.

In our world of information bombardment, fast paced-change, technological inventions, political upheavals, and increasing competition, it is easy to get overwhelmed in our daily lives as adults.

Inclement Weather

In preparation for a cold winter, we'd like to inform you in advance that in the event of snow and school closures, you will find information posted to the homepage, Students and Parents pages of our website by 6:30 a.m..

Robotics Competition

Saturday, Dec. 9

Tomorrow our 3 robotics teams will be at West Van Secondary all day (9 a.m.-4 p.m.). This is a huge competition (76 teams!). We have a team competing in a match pretty much every 15 minutes, so no matter what time you come, you're sure to see some Collingwood robot action!
