World Rugby Sevens Update

It's a Collingwood tradition to attend the Rugby Sevens with Speirs and the Collingwood alumni rugby crowd. Over 30 alumni watched the game together from section 240/41 at BC Place – they reminisced, they cheered, they channeled the Cavalier winning spirit! Following the games, all alumni and faculty were invited to the afterparty at Earls Yaletown, hosted by Collingwood. Cav revelers celebrated over appies and pitchers of beer. It was a great night with a great group of people! Many thanks to Dave Speirs for organizing.

Alumni Spotlight: Paving the Cavalier Way! Yale Kim '06

Yale is a Collingwood "lifer" who completed her undergrad at Cornell University, and obtained graduate degrees at Columbia University College of Physicians and Surgeons and Johns Hopkins University Bloomberg School of Public health. This past summer, she moved back to the west coast and is now in the Pasadena area in sunny southern California and very close to the Caltech university campus. We had the chance to reconnect with Yale last fall when she volunteered to be a University Host for Collingwood grads entering their first year of university in the Los Angeles area.
