**Cav's Networking Lunch**

On Friday, April 26th, the Collingwood Alumni Association hosted the 4th Cav's Networking Lunch in the Gold Room at Glowbal Restaurant. Over 35 alumni and staff gathered to hear guest speaker and alumni parent Janice Noble share an inspiring and engaging presentation that chronicled her successes and challenges throughout her career as a woman in business, as well as her "Noble Words of Wisdom." It was wonderful to see Ms. Lisa Evans in attendance, as well as a diverse crowd of alumni, along with staff from our Advancement team and three members of the Alumni Association Executive; Ariana Sairafi, Brenna MacLean and Joey Tai.

**Toronto Chapter Event Update**

On April 8th, over 20 Collingwood alumni gathered at The Oxley in Toronto to meet up with Lisa Evans, Jen Dousett and Elain Evans, who were in Toronto attending a conference. This was one of the largest turnouts of alumni outside of Vancouver that Collingwood has had, showing how engaged and interested our alumni are in keeping connected to the school. Rodger and Louise Wright stopped by to join in the fun as well!

**Trip to Harvard**

Walentyna Karcz, senior school social studies teacher, and a group of Morven students visited Harvard from April 12-14, 2019 where they participated in the Harvard Pre-Collegiate Economics Competition. While on their trip, the lucky group of students got a glimpse of the future when they met up with Graeme Sutcliffe, a Collingwood alumnus from the Class of 2010, who is currently a grad student studying plasma physics at MIT. Graeme showed the group around his lab and gave them a tour around MIT. Ms. Karcz and the group were also able to meet and have dinner with Eva Cai from the Class of 2017 who is doing her undergraduate degree at Harvard. It's wonderful to see how our alumni are sharing their experiences and inspiring our current students!
