Re:

The above-named student is applying to the Peak Program offered by Collingwood School. The program is established to accommodate student athletes, musicians, singers, dancers, actors or models who are competing and/or performing in the top 5% of their discipline at a provincial or national level.

Acceptance to the program requires a letter of recommendation. The letter must include specific details about the student's participation in their specialty area, including the following:

- the level of achievement
- the highest accomplishments or awards
- the hours of practice or training under your supervision (Travel time is not to be included with the practice hours).
