

REQUIREMENTS FOR ADMITTANCE

NAME: _____

In order to qualify, a student must meet at least **one** of the criteria listed below:

- The student is involved in a qualifying activity and performs at the provincial or national level as identified by the standards of the provincial or national governing body.
- The student is recognized in the top 5% provincially or nationally in their discipline as identified by the governing body.
- The student is required, as a function of their skill level, to miss scheduled schooling on a regular basis, or for long periods of time.

In order to qualify, a student must meet the criteria listed below:

- Supervised training or performance for:
 - i) 17 hours per week over a 4 month period: or
 - ii) 12 hours per week over a 10 month period: and
- The training season aligns with the school year.

Student-performers applying for the program must submit the following completed documents for review by the Peak Program Review Committee:

- General Application Form
- Specialty Application Form
- Head of House Preliminary Screening Form
- Record of University Guidance Meeting
- Transcript
- A letter from coach/instructor/agent on organization letterhead to indicate the current level of performance/achievements/standing in the area of specialty, verify the training/coaching hours, and outline the competition/performance expectations for the year.

Student-performers must have fully meeting or meeting work habits in all courses.

Student-performer has **not** demonstrated any areas of behavioral concern during regular school classes and activities and represent the school in a positive manner.

Student-performer consistently demonstrates self-regulation, self-motivation and responsibility necessary to participate in this specialized and self-directed program.

Student performers must review training and performance progress at the end of each term with the EPP coordinator.
