WELCOME BACK! 2018-2019 SCHOOL YEAR

Call-Out for University Hosts

We're looking for Hosts for Collingwood Grads entering their first year at a University near you!

The first year at university in a new city can be an intimidating experience, especially when you're away from the comfort of family and friends. We're hoping to make the transition smoother for some of our Collingwood graduates entering first-year by introducing them to Collingwood Alumni hosts in their university cities. Here's a sampling of just some of the great schools our graduates are attending this year:

Bishop's University, Boston University, California Institute of Technology, Carnegie Mellon University, Cornell University, Duke University, Georgia Tech, King's College, McGill University, NYU, Oxford University, Queens University, UCLA, University of Chicago, University of Guelph, University of Pennsylvania, University of Southern California, University of St. Andrews, University of Toronto, University of Victoria, University of Western Ontario, Vassar College, Wellesley College, York University.

If you would like to volunteer to host a new student in your area, and to find out which cities are applicable for this coming year, please send an email to janele.woodley@collingwood.org.

New Alumni Coordinator
Janele Woodley

We are pleased to announce that Janele Woodley joined our team as Collingwood Alumni Relations Coordinator in July 2018.

Born and raised on the North Shore, Janele is an alumna of both Crofton House School and UBC. A parent of three children at Collingwood since 2012, Janele brings with her a wealth of knowledge and experience in event planning, brand management and client relations. In her new role, Janele will be instrumental in connecting and encouraging growth and engagement within our Collingwood Alumni community and will be responsible for planning and executing our many annual Alumni events. A collaborative and innovative team player, Janele will bring great value to her new role at Collingwood School.

Welcome Back BBQ

Our 2018 Welcome Back BBQ was a huge success! While usually held at Klahanie Park in North Van, inclement weather moved us up to the Morven Campus where everyone managed to stay dry and happy! Bouncy castles, face painting, a bbq dinner and all-round good times were enjoyed by the over 900 students, parents, alumni and staff members that attended.

Did You Know?

This year we have 29 alumni families with children currently enrolled at Collingwood School. We believe that there's no better testament to the quality of a Collingwood education and all-around experience than the fact that alumni want the same infinite opportunities for their children.
