**2020-2021 ACADEMIC SCHOOL YEAR**

When Covid-19 struck British Columbia in March 2020, we shifted to a fully online curriculum, with no disruption to students’ transcripts. This fall, we returned to socially-distanced, in-person instruction, and adopted a new “2-5-1” system for 2020-2021. All students will complete their first two courses of the year by the end of October; finish 5 more courses (including all APs) by the end of May; and end the year with 1 course, which is a study block for Grade 12 students. Consequently, Grade 12 students will complete all their courses and finalize their transcripts by June.

### COLLINGWOOD’S FOUR STRAND EDUCATION

Collingwood strives to provide a Four Strand education that balances: Academics, Arts, Athletics and Service.

- **Academics:** As a university preparatory school, we strive for academic excellence and are dedicated to helping students reach levels of achievement that reflect their ability and effort. Learning conditions foster student engagement through small class sizes, low student-teacher ratios and technology integration. Students receives personal individual attention and the opportunity to learn in a supportive and enriched environment.
- **Arts:** The Arts are a meaningful part of student education, promoting creativity and self-expression while teaching

patience and teamwork. Exposure to the Arts expands the ability to look at issues from multiple perspectives and to invent solutions in unique ways.

- **Athletics:** Our athletics program offers one of the largest selections of individual and team sports in British Columbia. The Cavaliers have won provincial titles in basketball, field hockey, rugby, skiing, soccer, snowboarding, swimming, tennis, track and wrestling.
- **Service:** Our students want to be global citizens as well as local stewards and community partners. Our service strand seeks to instill in our students a sense of awareness of social and environmental issues in our local and global communities through a balanced program.
