**2021-2022 ACADEMIC SCHOOL YEAR**

We are continuing with socially-distanced, in-person instruction and the “2-5-1” system for 2021-2022. All students will complete their first two courses of the year by the end of October; finish 5 more courses (including all APs) by the end of May; and end the year with Collingwood U, which is an experiential semester for Grade 12 students to help prepare them for life after Collingwood. Consequently, Grade 12 students will complete all their courses and finalize their transcripts by June.

**EDI COMMITMENT**

At Collingwood School, we aim to foster an inclusive and equitable environment that embraces diversity. Through education and courage, we are committed to cultivating a pluralistic environment as we work together to remove barriers so that every person feels welcomed, understood and valued.

**GRADING INSIGHTS:**

Collingwood School awards grades according to the British Columbia Ministry of Education Guidelines:

Grade	Notes	Grade points	Range in %
A	Excellent achievement	4.0	86 to 100
B	Very good achievement	3.0	73 to 85
C+	Good achievement	2.5	67 to 72
C	Satisfactory achievement	2.0	60 to 66
C-	Minimally acceptable	1.0	50 to 59
F	Failing	0	0 to 49

It is not the practice of the School to rank students or to compute an official Grade Point Average. When a GPA is indicated, it is an approximate calculation of unweighted marks from academic classes only. The determination of an official GPA is left to each university.

### COLLINGWOOD'S FOUR STRAND EDUCATION

Collingwood strives to provide a Four Strand education that balances: Academics, Arts, Athletics and Service.

- **Academics:** As a university preparatory school, we strive for academic excellence and are dedicated to helping students reach levels of achievement that reflect their ability and effort. Learning conditions foster student engagement through small class sizes, low student-teacher ratios and technology integration. Students receives personal individual attention and the opportunity to learn in a supportive and enriched environment.
- **Arts:** The Arts are a meaningful part of student education, promoting creativity and self-expression while teaching

patience and teamwork. Exposure to the Arts expands the ability to look at issues from multiple perspectives and to invent solutions in unique ways.

- **Athletics:** Our athletics program offers one of the largest selections of individual and team sports in British Columbia. The Cavaliers have won provincial titles in basketball, field hockey, rugby, skiing, soccer, snowboarding, swimming, tennis, track and wrestling.
- **Service:** Our students want to be global citizens as well as local stewards and community partners. Our service strand seeks to instill in our students a sense of awareness of social and environmental issues in our local and global communities through a balanced program.
